“Short Film Lasting Impact”

About The Contest

If you belong to the community which yearns to broadcast their dreams to the cinematic camera, you will soon be able to turn your longings to reality. Short films are trending these days with their boon of delivering a message or entertaining the audience in a wee time in which they are filmed. Short films have sprung up as a major achievement of the film industry as the 20-20 has been for the CRICKET. This event has been crafted with a perspective of giving the budding talents an opportunity to showcase their talent. So grab your and go shooting.
